As a leading professional percussion ensemble, Third Coast Percussion is uniquely positioned to offer interactive hands-on learning experiences for a wide range of students and community members. Third Coast Percussion was named ensemble-in-residence at the University of Notre Dame in 2013. As ensemble-in-residence, Third Coast performs, teaches and designs innovative cross-disciplinary residency projects that are offered on tour throughout the country.

During the Residency at Vincennes University, the ensemble will be giving workshops on "The Science of Sound." Workshops are hands-on and will be presented to: Local Sixth Grade students, Local High School Students, Vincennes University Math, Music, and Science Students. The group will also be presenting three concerts; one for students and two for the community.
